

Tool No.	Make	Service Frequency	Service Type	Service Notes
2297/069	Western Star	20/07/2021 (On Demand)	General Maintenance	Removed and tested VGT actuator. FAILED. fitted and calibrated actuator off of 2214. Tested OK. Filled coolant, ran up engine, no fault. -James Murphy
2297/069	Western Star	19/07/2021 (On Demand)	General Maintenance	Inspected wiring to VGT - OK Price/avail on parts. Tested continuity of wiring to ecu plug. OK drained coolant -James Murphy SOS
2297/069	Western Star	16/07/2021 (On Demand)	General Maintenance	Checked fault codes. None active Carried out injector cut out test. All OK Got machine to fault - VGT code - James Murphy
2297/069	Western Star	23/06/2021 (On Demand)	General Maintenance	fit radiator to western star, fit new boost hoses, replace boost clamps, replace coolant - Bruce Moyses (SOS)
2297/069	Western Star	21/06/2021 (On Demand)	General Maintenance	, removed fan shroud and p-clamps and wiring, removed fuel cooler, removed oil coster lines, removed stay mounts and top hoses, radiator and intercooler, drained coolant, removed bottom hose and mounts, lifted out radiator and intercooler, split on ground, prepared for transport @ 802990kms - James Murphy (SOS)
2297/069	Western Star	06/05/2021 (On Demand)	General Maintenance	Heavy Vehicle Relocation and Condition Report 06 May 2021 / 069 / Depot / Camm rsn / Nick Mcclymont
2297/069	Western Star	06/04/2021 (On Demand)	Preventive	brake Test - nick mcclymont

2297/069	Western Star	06/04/2021 (On Demand)	General Maintenance	Repair beacon lights, repair number plate lights and side marker, carry out I audit - Ryan Arthur
2297/069	Western Star	06/04/2021 (On Demand)	Preventive	D service - ryan arthur
2297/069	Western Star	01/04/2021 (On Demand)	Preventive	i audit report - ryan arthur
2297/069	Western Star	01/04/2021 (On Demand)	General Maintenance	Carry out repairs, tank rubbers and bonnet badges, carry out tune up and inspect over - Ryan Arthur
2297/069	Western Star	01/04/2021 (On Demand)	General Maintenance	Remove and install new exhaust stacks - Brendan Floriduz
2297/069	Western Star	31/03/2021 (On Demand)	General Maintenance	fit road train signs and covers to bullbar, fit interior door light, remove turbo, replace exhaust manifold gaskets, reassemble turbo and piping, refill coolant, fit uhf, help with exhaust stacks - ryan arthur
2297/069	Western Star	31/03/2021 (On Demand)	General Maintenance	wheel nut indicators, and take stacks off - jordon christian
2297/069	Western Star	31/03/2021 (On Demand)	General Maintenance	remove old exhaust - brendan floriduz
2297/069	Western Star	31/03/2021 (On Demand)	General Maintenance	Cummins- 4x gasket manifold, 2x washer sealing
2297/069	Western Star	31/03/2021 (On Demand)	General Maintenance	Gleeman truck parts- Hubcap suit later 39.5mm inside x2
2297/069	Western Star	31/03/2021 (On Demand)	General Maintenance	Gleeman truck parts- Indicator wheel nut 33mm yellow x100
2297/069	Western Star	31/03/2021 (On Demand)	General Maintenance	CTI Batteries- D31A-120D discover AGM Cyclic plus battery 12V 120AH, HM327BK Noco battery box
2297/069	Western Star	31/03/2021 (On Demand)	General Maintenance	Kenny's auto electrical-parts plug 7 pin, GME hand piece, GME bracket mirror

2297/069	Western Star	31/03/2021 (On Demand)	General Maintenance	Predator signs- Supply and install CAMM graphics
2297/069	Western Star	30/03/2021 (On Demand)	General Maintenance	Cummins- Gasket manifold, gasket turbocharge, gasket flange, 3x hex nut flange, 2x seal grommet, seal o ring
2297/069	Western Star	30/03/2021 (On Demand)	General Maintenance	Gleeman truck parts- sign road train 2 piece, eye bolt bull bars x8, grey rigid gasket maker x2
2297/069	Western Star	30/03/2021 (On Demand)	General Maintenance	dismantle front drive wheels and axle, remove brake drums and shoes, remove diff counter, clean housings and clean, replace brake shoes and reassemble, reseal diff and reassemble brakes, paint hubs and centre - ryan arthur
2297/069	Western Star	30/03/2021 (On Demand)	General Maintenance	make air loom, finish wiring loom and help re-seal diff centre - jordon christian
2297/069	Western Star	26/03/2021 (On Demand)	General Maintenance	Big boys superwash- Wash cab high pressure, internal detail, truck polishing and buff
2297/069	Western Star	25/03/2021 (On Demand)	General Maintenance	Beehive- supply and manufacture yellow senator reinforced vinyl road train covers 570mm long x 250mm Wide.
2297/069	Western Star	25/03/2021 (On Demand)	General Maintenance	Gleemans truck parts- chrome curve plain inlet x 3, freight charge

2297/069	Western Star	18/03/2021 (On Demand)	General Maintenance	Remove exhaust stack on passenger side cut out, remove components turbo etc to remove exhaust manifold, clear components refit turbo new gasket, new orings and bits fill coolant. Fit new exhaust stacks out to length replace rubber mounts on exhaust stacks - Ryan Arthur
