Disclaimer:

So as to remove the threat of any potential legal action against Coates Hire, the Buyer of the aforementioned equipment acknowledges and accepts:

- The equipment is being bought in unserviceable condition that has not been tested or examined to determine whether its use may be hazardous to the health and safety of persons in any environment in which it's being used.
- This check list report is purely a visual inspection of the equipment and is by no means a comprehensive structural assessment of such.
- Assessment of the equipment prior to collection and any associated transport thereof is the sole responsibility of the Buyer.
- Full responsibility for determining what service, testing or modifications are needed for the equipment to ensure its compliance with all relevant Australian Standards and OH&S regulations applicable in the State or Territory in which it's to be used.
