

22 Litre Canister

500mL Aerosol

## RAMSOL SANITISER SPRAY

Ramsol Alcohol Sanitiser Spray contains active ingredients, specifically designed for the cleansing and disinfecting of hard and soft surfaces. This product delivers residual protection from an extensive range of microorganisms. Ramsol Alcohol Sanitiser Spray is a revolutionary mist spray designed to sanitise and disinfect difficult to reach and intricate areas with full surface coverage. This product deals rapidly and effectively with an extensive list of bacteria, including, but not limited to: Staphylococcus aureus (MRSA or Golden Staph), Pseudomonas aeruginosa, E.coli, Enterococcus, Faecalis (VRE), Acinetobacter, Salmonella choleraesuis, Acetobacter, Proteus vulgaris, Ps aeruginosa, S aureus and S typhosa.

## ADVANTAGES

### Aerosol & Canister

- Kills 99.9% of bacteria
- Zero set-up time
- Pine scent
- Fully Portable, No external Power source required
- Provides streak-free finish on most surfaces including Glass and Stainless Steel
- Reusable Gun & Hose
- Recyclable Steel (500ml, 22 Litre)

### Spray Coverage

- 500ml Aerosol (12.5m<sup>2</sup>)
- 22 Litre Canister (between 600 - 1000m<sup>2</sup> using Lechler tip)

## AREAS PRODUCT CAN BE USED

### Health Service

- Hospitals | Fire Brigade | Mountain Rescue | Helicopters.

### Transportation

- Buses | Aviation | Trains | Boats | Cruise Liners | Vehicles | Taxis | Industrial Equipment (forklifts)

### Domestic and Work Environments

- Office Environments | Doors and Touchpoints | Handrails | Waiting Rooms | Furniture | Food Processing Plants | Domestic Environments | Schools | Incoming and Outgoing Goods

## DIRECTION FOR USE

### Aerosol

- Remove the cap.
- Depress the button.
- Apply product directly to the surface from around 30cm away.

### Canisters

- Connect gun and hose using a shifter.
- Connect hose to canister and ensure that all connections are tight and leak-free.
- Turn system on using the valve on top of the canister, by rotating the tap anti-clockwise.
- Use the adjustment wheel on the gun to control flow rates; the adjustment wheel should be in the fully open position.
- Apply product directly to the surface from around 1/2 metre away.
- If fogging move the gun around the area with a cleansweeping motion.

## CHEMICAL TECHNICAL DATA

<b>Colour</b>	Clear liquid
<b>Odour</b>	Pine scent and odourless versions available
<b>System Flammability</b>	Aerosol Flammable liquid with flammable propellant. Canister Flammable liquid with flammable propellant.
<b>Alcohol Content</b>	70%
<b>Packaging</b>	500mL aerosol 22L canister
<b>Shelf Life</b>	24 months

## HANDLING & STORAGE

- Consult material safety data sheet prior to use.
- DO NOT store at temperatures over 50°C.
- Avoid exposure to direct sunlight.
- DO NOT store directly on concrete floor.
- For optimum performance, store at 18°C.
- When connected, keep valve open and hose pressurised at all times.
- DO NOT close valve until ready to connect to new cylinder.
- Release pressure in hose before disconnection.
- Always test product to determine suitability for your particular application prior to use.
- DO NOT spray on broken skin.
- Stop use if rash or irritation occurs.
- Avoid prolonged spraying on skin.

## EMERGENCY ACTION

### Eye Contact

- Flush out with plenty of water.

### Ingestion

- Virtually impossible, but should this occur deliberately, give plenty of water to drink and call for medical assistance.
